Penny Stock Picking
RESOURCE GUIDE

My Five-Step Formula For Finding The Penny Stocks That Can Make You Rich

1. Find penny stocks with potential by looking for ideas on the message boards...
2. Watch your charts like a hawk every day looking for technical breakouts...
3. Make sure each stock is in a red hot sector...
4. Look for a comparison company...
5. Look for a catalyst that will send the stock higher.

Message Boards for Hunting Down Promising Penny Stocks

You have to be on the lookout for scammers, spammers and pumpers — but don't let that stop you from exploring the investor message boards for penny stocks that merit further investigation. When you find something you like, add it to your Watch List.

My favorite message boards are:

1. TheLion.com: <http://www.thelion.com> — primarily the "Wall Street Pit" forum
2. Raging Bull: <http://www.ragingbull.com>
3. Silicon Investor: <http://www.siliconinvestor.com>

Be sure to check out their forum for tracking pump and dumps:

4. Yahoo Finance: <http://finance.yahoo.com/>

Charting Services

I have some great resources for creating the charts you need to spot technical breakouts and keep track of volume. I urge to check them all out to find one or more that works best for you:

1. StockCharts.com: <http://www.stockcharts.com>
2. StockFetcher: <http://www.stockfetcher.com>

3. Power Etrade Pro:

SEC Filings

1. Google Finance: <http://www.google.com/finance>
2. Yahoo Finance: <http://finance.yahoo.com/>
3. SEC: <http://www.sec.gov/edgar.shtml>

Brokers who let you short penny stocks
